

Guidelines

-  Print Safe Area: please make sure the important assets of your artwork, such as logo and all copy, fit within this area.
-  Label Size: this is the 97x69mm area that will be printed as your label. Make sure your artwork extends to all sides and corners.

Product information

When designing your label please note Natasha's Law came into effect on October 2021 and now all labels must contain 'Produced and packed by Popcorn Shed Ltd' with the name of the product, the full list of ingredients and allergen information.
